## **Muscat Fruité Croquant**

Domaine Frey Charles et Dominique

### **Awards:**

### **Origins:**

- **Grape varieties:** Muscat
- **Terroir:** Granitic sand
- **Pruning:** Guyot double
- **Yield:** 60 hl/ha

### **Vinification:**

Pressing of complete bunches, indigenous yeasts, 3 weeks fermentation.

### **Ageing:**

6 months on fine lees in inox tank.

### **Tasting notes:**

Dry wine with an instantly recognizable fruit aroma. You have the impression of crunching cool grape berries, when tasting it.

### **Ageing potential:**

Can be kept 3 years.

### **Gastronomy:**

Serving temperature of 12-14 °C

Excellently suited as an aperitif wine, goes well at reception buffets and also with asparagus.
